ABOUT US

Film Academy Milton Keynes is Milton Keynes's first accredited academy dedicated solely to the teaching of filmmaking skills in order to prepare learners for further education or careers in the film industry.

The Academy will provide high quality filmmaking qualifications through our high calibre of training staff.

This is combined with the opportunity for learners to actually get hands-on filmmaking experience completing their studies at the Academy with a finished product to support progression into further education or employment, ensuring filmmaking skills fit for purpose.

Our high calibre team of trainers are committed to the vision of nurturing creativity and building excellence in our learners.

At FAMK we are committed to ensuring that every learner receives an opportunity to develop their skills and knowledge ready for the next steps within the UK's screen industries.

The UK's screen industries is one of the fastest growing industries and hire one in six people and 87% of the jobs are future proof as they cannot be taken over by automation.

Our mission is to develop the skills and knowledge required by a new crop of filmmakers who can take on the roles available within the film sector with confidence and excellence within Milton Keynes and the United Kingdom.

I hope you find the information in our prospectus useful.

Do not hesitate to get in touch if you wish to discuss any aspect or if you would like to discuss joining FAMK.

OUR VALUES

Innovative:

We will create an environment where all our stakeholders are comfortable to innovate and be creative, free to experiment without fear of judgement or failure, having fun, learning and trusting in their ability to make a difference.

Excellence:

We are committed to doing everything well. We will deliver to the best of our ability and then go beyond, creating wonder, respect and trust in all we do. We will finish tasks and projects as efficiently and as quickly as possible delivering high value in all we do.

Integrity:

We do what we say. We say what we do. And if we can't, we must say why with honesty and truth at the forefront of who we are. We will be true to ourselves, telling stories which create impact and change.

Passion:

We believe in our vision. We believe we can achieve it. So, we approach it every day with gusto and passion, guided by our values and unshackled by fear.

THE SCREEN INDUSTRIES

01

The Screen Industries are part of the UK's Creative Industries.

According to DCIM, the Creative Industries together contributed over £111 billion to the UK economy with the film industry alone contributing over £2 billion.

02

The Screen Industries account for one in eleven jobs in the United Kingdom.

Currently facing a skills shortage of over 20,000 people. It is estimated that over 87% of jobs within the sector are protected from automation.

03

Globally, the screen industries continues to expand with the UK regarded as a leader in content production and storytelling and innovation, with exports totalling over £13 billion in 2019.
